Section 7: Mediation Service (currently available for Employer and Public Liability Claims)

The Injuries Resolution Board now offers Mediation services in Employer Liability and Public Liability cases.

Mediation is offered in advance of the assessment of a personal injuries claim. In a mediation parties will have the opportunity to explore all issues relating to a claim including compensation, liability, loss of earnings, and future treatment requirements to mention a few.

If you opt for mediation, the Injuries Resolution Board will arrange for an impartial and experienced mediator to work with you and those against whom you have made the claim to achieve an agreed outcome.

Mediation will typically be telephone based and parties do not need to talk directly to each other. The mediator, through a series of separate phone calls, will listen to all parties to gain a full understanding of the issue(s) and will help them to make an agreement.

The key reasons to opt for mediation are that it allows for discussion around the issues relating to a claim, the process is typically quite short, and all agreements made are legally binding. For more information on our mediation process please refer to the Injuries Resolution Board website - www.injuries.ie

Please advise if you agree to mediation for this claim.
