

Information on BeSMART.ie

BeSMART.ie is a business electronic Safety Management and Risk Assessment tool from the Health and Safety Authority.

It will help business owners / managers to prepare risk assessments and a safety statement for their workplace.

It is easy to use and it will:

- Reduce the chances of an accident occurring in your workplace.
- Save you time and money.

It is available at <https://www.besmart.ie/>

The screenshot shows the BeSMART.ie website interface. At the top left is the logo 'BeSMART.ie'. To the right is a navigation menu with links for 'Home', 'Contact Us', 'Learn More', and 'eLearning'. Below the navigation is a main content area with three columns:

- What is BeSMART.ie?**: A section with a yellow header and a grey body. It contains a description of the tool, a list of benefits (reducing accidents and saving time/money), and the Health and Safety Authority logo.
- Why Register?**: A section with a yellow header and a grey body. It lists benefits of registration (free, confidential, save/review/edit assessments, manage action lists) and includes a 'Register Now' button.
- Sign In**: A section with a yellow header and a grey body. It features an email input field, a password field, a 'Login' button, and a 'Guest User' button. A link for 'Forgotten your login details?' is also present.

Below the main content area are three category tiles:

- Agribusiness**: Represented by an illustration of a tractor, a water sprayer, and produce.
- Construction**: Represented by an illustration of a hard hat, a crane, and a building under construction.
- Other Business**: Represented by an illustration of a person at a computer, gears, and a shopping cart.
